COMMITTEE ON GARBAGE DISPOSAL BEGINS INVESTIGATION

Engineers Are Asked to Make Recommendations to Local Committee—Inclinator Seems Favored by Members.

The special committee of City Councilmen named at the last regular meeting of Council to make investigations into the best system of garbage collection and disposal for the city of Maysville, has already begun its investigations and hopes to have something to report to council at its next regular meeting in October.

The first step taken by this committee was to write several engineers for their recommendations setting before them the conditions in this city. Mr. W. L. Glazier, of Newport, who has had much experience in engineering work in Maysville, has been asked to make a recommendation to the committee and his reply is awaited by the committee before they take any steps.

The majority of the members of the local committee seem to favor an inclinator for the disposal of the garbage but the collection of it seems to be the greatest problem to be solved. It is understood that State Commissioner Ben Smith has fully acquainted himself with the inclinator proposition and is enabled to build one himself that will care for the city's garbage but how to gather the garbage from the six wards and deliver it to the inclinator seems to be the big problem before the committee. Systems used in the past have proven failures and an entirely new system must be worked out. It seems to be the opinion of the committee as well as the greater part of the public that the garbage collection must be wholly a municipal proposition for as an individual proposition it does not seem to work out properly.

The necessary laws for a good system are now on the Ordinance books of the city with the exception of the law governing the system of collection and it is the opinion of the committee that this must be amended.

The committee is working faithfully on the proposition and hopes to be able to solve it for all time in their final report to council.

SATURDAY'S MUSICAL SHOW PROMISES TO BE GOOD ONE

High Class Producer Announces High Class Cast of Principals in Show Full of Peppery Song Hits.

"Oh, By Jingo," a La Tour production coming to Washington Theater Saturday, September 18, promises to be one of the real big musical comedies of the year according to those who have read the advance notices and witnessed the performance in other cities. While it has always been the policy of M. Marx to refrain from praising a show produced by his organization, he was forced to depart from this policy and declares "Oh, By Jingo" to be the finest production he has witnessed in his long career as a producer.

The comedy has been turned over to Lew Rose, who heads the east and while he is prominently known on the stage, is a new comer on the K. & E. time. Babe La Tour appears in the leading feminine role. A company of capable players have been selected by Mr. Marx among them are Alex Sanders, Margarette Abbott, Joe West, Florence Mascott and Bernie Clark. Special scenery, brilliant electrical effects, stunning costumes, and then add to all this twenty beautiful girls who are singers and dancers and "Oh, By Jingo" should not soon be forgotten.

FORMER LOCAL CITIZEN ATTACKED AT CINCINNATI HOME

The following from the Cincinnati Post is about a former well known resident of Maysville:

"Frank Miller, 45, rooming house owner, 744 W. Seventh street, attacked by three men in his home Sunday night, gave detectives the license number of an auto they were driving. The men knocked at Miller's door and inquired about girls. When told they did not live at the address, one of the men struck Miller with brass knuckles. The others kicked and beat him."

SCHOOL PROGRESS PLEASES.

The progress of the city and county schools is quite pleasing to the various school authorities. Attendance is splendid and the students are said to be settling down to work much better than had been anticipated after a long holiday. Both the city and county schools are expecting to accomplish some good work this year.

SEVERAL GO TO STATE FAIR.

Quite a number of Maysville and Mason county people went to Louisville today to attend the Kentucky State Fair now in progress there. There is unusual interest manifested in the State Fair by Masonians this year because of the county display of chickens which are taking premiums there.

A snake in the court house yard created quite a bit of excitement at noon today. The reptile was killed by Officer P. Ryan.

ONE KILLED, OTHERS INJURED IN LEXINGTON WRECK

Motor Car and Interurban Crash Together Short Distance From Lexington Last Night.

Lexington, Ky., September 15.—One man was killed instantly, another sustained probable fatal injuries, and a third man and his son were hurt severely last night in a collision between an automobile and an interurban car at Stop 3 on the Kentucky Traction and Terminal Company Railway, between Lexington and Nicholasville.

The dead: Joseph Spiegel, 42 years old, Jessamine county farmer.

The injured: William Bowen, 40 years old, farmer of Jessamine county, injuries believed to be fatal.

Luko Gregg, 38 years old, farmer of Fayette county.

James Gregg, 10 years old, of Fayette county, son of Luke Gregg.

The accident occurred three quarters of a mile from the city limits, on the Nicholasville pike.

Gregg, driving an automobile, was returning to his home from his farm, about three miles further out. Spiegel and Bowen were his guests in the car.

Gregg said he saw the interurban coming about 60 yards distant, but could not stop. He said he was going at about the rate of 15 miles an hour, and that the motorman blew his whistle when about 60 yards from the scene of the crash.

The injured men were taken to the Good Samaritan Hospital by C. S. Shriver and Oscar Hodges, near whose home the accident took place.

OLD TIMER LAYS DOWN PEN TO TAKE UP LAW BOOKS.

Colonel R. S. Porter, of Lexington, Kentucky, who although he is still young in age, is quite old in experience, has announced that he is quitting the newspaper game to begin the practice of law. "Pop" Porter as he is familiarly known among Kentucky newspaper men, is one of the best known men of the craft. He has held down the city desk on various state papers but for the past several years has devoted his time to publicity work along political lines. His newspaper experience should be worth much to him in the practice of law. His old friends and comrades wish him much success in his new profession.

CONVICT GRILLING CONTINUED BY GRAND JURY AT HARLAN

One of Four Negro Convicts Says He Saw Mate Enter Convict Camp With Bloody Coat.

Harlan, Ky., September 15.—One week after the brutal murder of Miss Laura Parsons on the Pine Mountain trail, finds conclusive evidence against her assailant still lacking, with authorities sanguine that his identity will be known within a day or two.

While detectives employed by the Settlement School first are investigating the clues against Dr. H. C. Winnes, State Veterinary agent, Sheriff H. H. Howard and the grand jury are pushing the inquiry of the negro convicts, at the same time watching every phase of the case.

Admission by one of the four negro suspects that he saw a negro enter the camp, the afternoon of the murder, with a bloody coat hanging on his arm, was considered an important development yesterday, according to Sheriff Howard.

"The negro did not remember who it was," the Sheriff said tonight, "but we hope to be able to obtain further admissions from him. He may prove to be the key to our problem."

"The negro cook at the camp, who is one of the four negroes we are holding, says several men had borrowed his coat and he did not remember who was wearing it the day of the murder. We found it by the bunk of James Robinson, the water carrier. He says he had not worn it. Both Robinson and Sam Ellory, the Louisville negro, who drove the dinner wagon had opportunity to commit the crime."

The four negroes were taken before the grand jury this afternoon. They were guarded by five camp guards and two deputy sheriffs. A large crowd was in town but there was no demonstration. A negro minister, who has been talking to the negro suspects, also was a grand jury witness.

Dr. Winnes has appeared before the grand jury. He is still being held under guard and walks freely around town.

The Cincinnati detectives today took the road over which Dr. Winnes rode. Tomorrow they will grill the four negro suspects.

A reward of \$500 was offered by the county today. A reward of the same amount, was announced by Governor Morrow yesterday.

Information was received today from friends of Miss Parsons that she did not carry a handbag, but only the purse, which was found.

MASON POULTRY ASSOCIATION WIN STATE FAIR PRIZES

More Than \$150 in Prizes Won By Mason County Poultry Association's Exhibit at Kentucky State Fair.

County Agent George Kirk Tuesday evening received a telegram from Louisville announcing the news that the Mason County Poultry Association had won more than \$150 in premiums at the state's big show. This news has created much excitement among members of the Association and has encouraged them to bigger and better things for next year.

The local association's exhibit won first prize in the Rhode Island Red exhibit carrying with it a prize of \$100 second prize in county exhibit with a prize of \$40 and County Agent Kirk wins a prize of \$10 for being the county agent in the county winning second county prize. This also will go to the poultry association.

While these three prizes total \$150 it is known that when full reports are in the sum total will be much larger for in winning first in the Rhode Island Red exhibit and second in the county exhibit, it is known that many individual birds will take many premiums with valuable prizes.

The Mason County Poultry Association is to be congratulated upon this very splendid showing at their first contest at the state fair.

EDDINS APPEAL IS DISMISSED BY THE APPELLATE COURT

Court of Appeals Refuses to Go Into Points of Law in Eddins Murder Case Meaning a Probable Re-Trial This Term.

The Kentucky Court of Appeals at Frankfort yesterday dismissed the appeal in the case of the Commonwealth vs. Henry Eddins, indicted in the Mason County Circuit Court for wilful murder of Ben Schumaker, night watchman at the Maysville Cotton Mills.

The case was taken to the Court of Appeals by agreement in order to get that court's opinion in the matter of admitting certain evidence, more particularly what was purported to be a confession or a statement made by Eddins at Lexington shortly after his arrest.

The refusal of the Court of Appeals to rule on this question before the case is re-tried means a probable re-trial of the murder case at the present term of the Mason Circuit Court and it is more than likely that an agreement for a time to re-try the case will be reached by the lawyers in the case immediately.

TRINITY BAND WELL PRAISED.

The Vaneeburg Sun says: The Trinity Boys' and Girls' band and their manager, Col. A. G. Wilson, certainly captured the fair crowd by the band's good music and their all-around good conduct. They were generous with their music, giving several numbers each evening on the streets. We have heard nothing but praise for them, and when one remembers that they have been so recently organized and some of their members are very young—the youngest six years—the praise heard is well placed.

Much credit attaches to Prof. Young their instructor, and no less to their manager, Mr. Wilson, whom they could find no better in the county. Here's to Trinity's Band! May they not be satisfied with the good, but strive for the best.

The "High Cost of Breakage"

The telephone is a sturdy little instrument, but do not allow it to be handled carelessly, Mr. and Mrs. Subscriber—like any other machinery, it will break or get out of order when abused or improperly used.

A desk telephone knocked over; a vase upset on desk or table; a wall telephone collided with—the result may easily be a broken mouthpiece, a broken receiver shell, a wet receiver cord or desk stand cord or other damage—then your service is interfered with until replacements can be made.

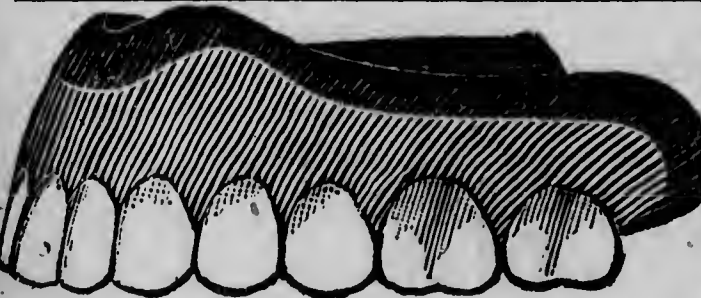

The replacement of damaged instrument parts is expensive in these days of high prices—and adds to the cost of telephone service. For our mutual benefit, Mr. and Mrs. Subscriber, please help us to keep such damage and breakage down to the minimum.

SATURDAY'S SHOW IS
ANOTHER MUSICAL COMEDY

Musical Show Being Name of Popular Song Will Be On Local Boards Saturday.

One of those established favorites which always appeal to the lovers of scintillating and joyous amusement is announced to be at the Washington Theater Saturday, September 18th, it is "Oh, By Jingo" and the title is appropos, for there is a vast preponderance of the fair sex in the make up of the organization. However, it is not only the chorus which is called upon to display talent in the unfolding of the story which is supplied in the frothy two-act musical comedy and ten lavishly staged scenes. There is a trio of funmakers in the leading roles.

Low Rose, Babe La Tour, Margarette Abbot and Alex Saunders who is conceded to be one of the most fascinating and vivacious of soubrettes, adding to her talent she has a fad for wearing stunning costumes, her own designing which are copied by many of the fair sex in the audience. Florence Maccott a dainty ingenue, Joe West, whose interpretation of straight characters is well known, Bernie Clark, and others. There is a half dozen timely novelties which go to make up a program that is full of sparkle and "go" from start to finish.

Mrs. Melissa Hodson, for 61 years employed in one cotton mill in Saco, Me., holds the record for continuous service in the American textile industry. Mrs. Hodson retired from work on her eightieth birthday.

WEAK; RUN-DOWN

Carolina Lady Got So She Could
Just Drag—“Cardui Built Me
Up,” She Declares.

Kernersville, N. C.—In an interest-
ing statement regarding Cardui, the
Woman's Tonic, Mrs. Wesley Mabe, of
near here, recently said: “I have
known Cardui for years, but never
knew its worth until a year or so ago.
I was in a weakened, run-down con-
dition. I became draggy—didn't eat or
sleep to do any good; couldn't do any-
thing without a great effort. I tried
different remedies and medicines, yet
I continued to drag.
“I decided to give Cardui a trial,
and found it was just what I really
needed. It made me feel much strong-
er soon after I began to use it. I be-
gan to eat more, and the nervous,
weak feeling began to leave. Soon I
was sleeping good.
“Cardui built me up as no other
tonic ever did.
“I used Cardui with one daughter
who was puny, felt bad and tired out
all the time. It brought her right out,
and soon she was as well as a girl
could be. We think there is nothing
like Cardui.
“Do not allow yourself to become
weak and run-down from womanly
troubles. Take Cardui. You may find
it just what you really need. For
more than 40 years it has been used by
thousands and thousands, and found
just as Mrs. Mabe describes.

GOING FOR GOOD
Results That Last Are What Appeal to
Mayville People.

Kidney sufferers in Mayville want
more than temporary relief.
They want results that last—
Results like Mr. Lynch tells about.
His was a thorough test.
Four years is a long time.
Doan's Kidney Pills have stood the
test and stood it well.
Why experiment with an untried
medicine?
People here in Mayville have shown
the way.
Read the story of W. H. Lynch,
shoemaker, E. Third St. He says:
“My kidneys were weak and sluggish.
At one time the action of my kidneys
stopped altogether. I finally used
Doan's Kidney Pills and in a short
time the action of my kidneys became
normal. I kept on taking them and
they completely relieved me.”
TROUBLE NEVER RETURNED
Nearly five years later, Mr. Lynch
said: “I haven't had any need of a
kidney remedy since I last recom-
mended Doan's Kidney Pills. They
have permanently cured me.”
Price 60c, at all dealers. Don't
simply ask for a kidney remedy—get
Doan's Kidney Pills—the same that
Mr. Lynch had. Foster-Milburn Co.,
